

AWS HAMEED

Digital Growth & Outreach Professional

Lahore, Pakistan | 03046957903 | [linkedin.com/in/awshameeed](https://www.linkedin.com/in/awshameeed)

PROFESSIONAL SUMMARY

Goal-oriented professional with a background in digital growth, lead generation, and technical communication. Proven experience in outbound outreach, identifying high-value market segments, and managing business relationships. Adept at navigating CRM tools and maintaining high-volume contact lists. Seeking to leverage strong interpersonal skills and professional persistence in a high-performance cold calling environment.

CORE COMPETENCIES

- **Outbound Outreach:** Lead identification, business targeting, and prospect qualification.
- **Communication:** Fluent in English and Urdu, with a focus on professional, persuasive, and clear verbal delivery.
- **Persistence & Drive:** Proven ability to manage high-volume data tasks and maintain consistent daily outreach activity.
- **Technical Proficiency:** Skilled in CRM tools (Apollo.io, Google Maps), data management, and troubleshooting connectivity/system issues.

PROFESSIONAL EXPERIENCE

Digital Growth Specialist | SYNAPSEBIZ

April 2026 – Present | Remote

- Execute high-volume outreach campaigns to identify and qualify potential business leads.
- Utilize advanced search and scraping tools to build targeted contact lists for corporate acquisition.
- Maintain organized outreach logs and CRM entries, ensuring follow-ups are tracked and prioritized for maximum conversion.

AI/ML Intern | Digitech Offerings

April 2026 – June 2026 | Remote

- Articulated complex technical project briefs into clear, concise business language for stakeholder review.
- Managed collaborative documentation, requiring clear communication and adherence to strict project deadlines.

Lead Generation Specialist | Lead Generation Agency

September 2023 – February 2024 | Remote

- Identified and qualified potential clients for the agency by sourcing and bidding on relevant projects through Upwork.
- Researched prospective clients' business needs and crafted tailored proposals to convert Upwork leads into signed contracts.
- Coordinated with the sales team to hand off qualified leads, tracking outreach and follow-ups to maximize client acquisition.

EDUCATION

BS Computer Science | University of Central Punjab

Currently in 3rd Semester

- **Relevant Skills:** Logical thinking, structured problem-solving, and professional documentation.
- **Languages:** English (Professional), Urdu (Native).

KEY STRENGTHS FOR COLD CALLING

- **Tech-Savvy:** Rapidly learn new dialing software or CRM systems.
- **Resilience:** Experience in hardware debugging and system troubleshooting, which translates to a calm, persistent approach when handling objections or technical hurdles during calls.
- **Result-Oriented:** Focused on meeting daily quotas and driving measurable growth.
